1. Sight distance at all interior roadways meets or exceeds the required 100'.

NOTE:
According to the national flood insurance program map #45003 C 0527E, dated June 19, 2012, these property is in Zone X and does not lie in a designated flood hazard area.

INDIVIDUAL LOT GRADING NOTE

The Residential Building Contractor and/or Homeowner shall be responsible for any lot grading required to ensure "positive drainage" away from the future homes that meets all applicable building codes. Fill on the lots may be required to achieve "positive drainage". The drainage from the lots shall be discharged directly to public drainage systems including but not limited to public right-of-ways, wet inlets and diversion swales as shown within these plans. The Residential Building Contractor and/or Homeowner shall not impede the drainage path to these public drainage systems.
